

Welcome to New Creations!

The nursery area at Fellowship Bible Church Dallas is called, “New Creations.” We have four groups of children in this area. The age ranges are approximate and a child may be assigned based on developmental needs.

Seeds – 0-7 months

The Seeds are cared for and prayed over by our volunteers while you are in the service. New moms are welcome to pop in and use the attached room to nurse or just stay to get their child adjusted to the nursery for the first few weeks.

Sprouts – 8-15 months & **Blooms** – 16-23 months

Our Sprouts and Blooms are introduced to their first Truth Foundation in New Creations, God Reigns (God made everything). They are introduced to God as creator through the story of creation being taught through song and story each week.

2x2's – 24-35 months

The 2x2's are introduced to four Truth Foundations through the lessons written just for them. The Truth Foundations are God is good, God loves us, God is in charge of everything and Jesus died for our sin and rose from the dead. These 2 year olds will learn stories from God's word that emphasize these truths about God and our relationship to Him each month.

(2x2's will promote to the Ark Area in the fall on promotion Sunday closest to their third birthday)

Parents – We need you to be available to serve at least once every six weeks in New Creations, either with your child or in another class as needed. If you would like to select a week of the month to serve, contact emilyh@fellowshipdallas.org. If not, please be available to serve when contacted by email or phone. Everyone serving together allows us to keep our classrooms open and our children well cared for.

Check-in Guidelines

You may check in your child between 9:15 – 9:45 and 10:45 – 11:15. If you arrive after the 9:45 or 11:15. Check with the Director of New Creations and if the classes are not full, we are happy for you to bring your child. If they are full, you can visit our cry room on the 3rd floor.

After checking in please place your child's nametag on their back. Make sure instructions pertaining to your child are given to the leaders in the room, so that they may write it on the nursery room board. Remember that you must present the matching tag following the service for your child to be released to you. If you lose your tag, please contact the nursery director.

Policies for Your Child's Safety

1. This is a well-child Nursery. If your child has been running a fever, sick or otherwise contagious you are asked to keep them with you.
2. You will receive a security tag and a pager when checking in your child. Your child will only be released to an adult with this tag. We will page you if needed.
3. You will be asked when checking in your child for the first time about allergies. These will be noted on your child's tag for your child's safety.
4. All of our volunteers and staff have had a background check.
5. Only women change diapers in our Children's Ministry.
6. There is a nurse on call during each service in case of a medical emergency.

Helpful Hints for New Creations

Diaper Bag – Please bring one every Sunday. Please make sure it is labeled with your child's name. We have bag tags available at the nursery check-in station.

Label Everything – Please label all bottles, pacifiers, formula cans, sippy cups and snack containers. This helps us when we are trying to make sure that every child receives what they need and also ensures that everything goes home correctly. You can find dishwasher safe labels at www.namebubbles.com.

Needs – Be sure to communicate needs to teachers when you arrive concerning diaper changes, feeding, naps, etc.

Diapers/Clothes – Thanks for always packing a diaper and extra change of clothes. We have diapers on hand for emergencies. Please bring at least two with you in your bag on Sunday.

We may text you – Please carry your phone on silent on you and not in a purse. We will text you if your child has been crying nonstop for more than 10 minutes or appears to be sick.

Relax and Enjoy – We are delighted to have your child with us. It is a blessing to take care of the Lord's most precious little ones. Thank you for giving us that opportunity.

If you have any questions, please feel free to contact us at Kids@FellowshipDallas.org. Hope to see you soon!
